The ELIZABETH PIGFORD LEGACY SOCIETY

BCCO's Legacy Society comprises individuals who have included BCCO in their estate plans. The Society is named in memory and recognition of Betty Pigford, a supremely capable and charming member of the chorus and its board of directors for many years who helped shape many of BCCO's most important initiatives. We would be pleased to include you among the group of individuals who, as members of the Legacy Society, are sustaining BCCO for future generations. For more information, please email development@bcco.org
